

## **Appendix B: Acronyms**

Deleted: CMMI for Development  
Version 1.2

### **ACQ**

Acquisition constellation

Deleted: API  
application program interface

### **AM**

Agreement Management (process area)

### **ARC**

Appraisal Requirements for CMMI

### **ARD**

Acquisition Requirements Development (process area)

Deleted: CAD  
computer-aided design

### **ATM**

Acquisition Technical Management (process area)

### **AVAL**

Acquisition Validation (process area)

### **AVER**

Acquisition Verification (process area)

### **CAR**

Causal Analysis and Resolution (process area)

### **CCB**

configuration control board

### **CL**

capability level

### **CM**

Configuration Management (process area)

### **CMM**

Capability Maturity Model

### **CMMI**

Capability Maturity Model Integration

**CMMI-ACQ**

CMMI for Acquisition

Deleted: CMMI for Development  
Version 1.2

**CMMI-DEV**

CMMI for Development

**COTS**

commercial off the shelf

Deleted: CMMI-DEV+IPPD  
CMMI for Development +IPPD

**CPI**

cost performance index

**CPM**

critical path method

**DAR**

Decision Analysis and Resolution (process area)

Deleted: CSC  
computer software configuration item

**DEV**

Development constellation

**DoD**

Department of Defense

**EDS**

Electronic Data Systems

**EIA**

Electronic Industries Alliance

**EIA/IS**

Electronic Industries Alliance/Interim Standard

**GG**

generic goal

Deleted: EPG  
engineering process group  
FCA  
functional configuration audit

**GP**

generic practice

**GM**

General Motors

**IBM**

International Business Machines

**IDEAL**

<p>Initiating, Diagnosing, Establishing, Acting, Learning</p> <p><b>IEEE</b> Institute of Electrical and Electronics Engineers</p> <p><b>IPD-CMM</b> Integrated Product Development Capability Maturity Model</p> <p><b>IPM</b> Integrated Project Management (process area)</p> <p><b>ISO</b> International Organization for Standardization</p> <p><b>ISO/IEC</b> International Organization for Standardization and International Electrotechnical Commission</p> <p><b>IT</b> <u>Information Technology</u></p> <p><b>MA</b> Measurement and Analysis (process area)</p> <p><b>MDD</b> Method Definition Document</p> <p><b>ML</b> maturity level</p> <p><b>NDIA</b> National Defense Industrial Association</p> <p><b>OID</b> Organizational Innovation and Deployment (process area)</p> <p><b>OPD</b> Organizational Process Definition (process area)</p> <p><b>OPF</b> Organizational Process Focus (process area)</p> <p><b>OPP</b> Organizational Process Performance (process area)</p> <p><b>OT</b> Organizational Training (process area)</p>	<p>Deleted: <b>CMMI for Development</b>¶ Version 1.2</p> <p>Deleted: <b>INCOSE</b>¶ International Council on Systems Engineering¶</p> <p>Deleted: <b>IPM+IPPD</b>¶ Integrated Project Management +IPPD (process area)¶ <b>IPPD</b>¶ integrated product and process development¶</p> <p>Deleted: <b>NDI</b>¶ nondevelopmental item¶</p> <p>Deleted: <b>OPD+IPPD</b>¶ Organizational Process Definition +IPPD (process area)¶</p>
---	---

**OUUSD (AT&L)**

Office of the Under Secretary of Defense (Acquisition, Technology, and Logistics)

**P-CMM**

People Capability Maturity Model

**PA**

process area

**PERT**

Program Evaluation and Review Technique

**PMC**

Project Monitoring and Control (process area)

**PP**

Project Planning (process area)

**PPQA**

Process and Product Quality Assurance (process area)

**QA**

quality assurance

**QFD**

Quality Function Deployment

**QPM**

Quantitative Project Management (process area)

**REQM**

Requirements Management (process area)

**RSKM**

Risk Management (process area)

**SA-CMM**

Software Acquisition Capability Maturity Model

**SCAMPI**

Standard CMMI Appraisal Method for Process Improvement

**SECM**

Systems Engineering Capability Model

**SEI**

Deleted: CMMI for Development  
Version 1.2

Deleted: PCA  
physical configuration audit

Deleted: PI  
Product Integration (process area)

Deleted: RD  
Requirements Development (process area)

Deleted: ROI  
return on investment

Deleted: SAM  
Supplier Agreement Management (process area)
