Process Boot Camp for Beginners

Delta Ballroom C

Although geared towards those who are new to the world of process improvement, all are welcome to attend! This complimentary, pre-conference, informal session will provide you with much of what you will need to know to become familiar with process improvement and the SEPG conference. Representatives from various technical organizations around Nashville have been invited to expand the perspectives offered at Process Boot Camp. You don't have to be registered for SEPG in order to attend, but after going through Boot Camp, you just might want to!

3:00 pm – 6:00 pm

Registration

Delta Lobby B

Come pick up your conference bag, which includes your conference CD and other materials. Don't forget your nTAG!
