Sponsorship Opportunities

Stand Out as an Innovator

Many SCSS attendees arrive at our symposium in search of real solutions in new tools, training, and technology. By sponsoring SCSS, you can make sure that the solutions they leave with are yours.

The full-symposium passes included in SCSS sponsorship packages enable organizations that send one or more staff members to SCSS to promote their brands, products, and services for only a small additional cost. Make the most of your marketing and professional development dollars by purchasing one of these sponsorship packages.
