Endorsement of Applicant

I hereby endorse the above named applicant as a candidate to be an Architecture Tradeoff Analysis Method (ATAM) Lead Evaluator for the US Army. I understand that SEI certification as an ATAM Lead Evaluator is contingent upon the following requirements with which I concur as noted.

Concur Non-Concur Requirement

	Candidates must complete all the course requirements including the ATAM Leader Training course.
	Candidate must participate in an ATAM evaluation as an ATAM Evaluator and receive a positive endorsement from the ATAM Team Leader.
	Candidate must meet the professional requirements specified in the Qualifications and Procedure to become an Army Lead ATAM Evaluator.
	Candidates must complete and submit an Application for ATAM Observation to the SEI for approval to be observed as a Lead Evaluator.
	Candidates must pay a fee for the ATAM Observation engagement.
	Candidates must successfully lead an architecture evaluation using the ATAM and receive a favorable observation report.

I further understand that due to the unique combination of technical and facilitation skills required of Lead Evaluators, *not all candidates will be successful*. The SEI ATAM Board has sole and final responsibility for determining successful completion of all criteria.
